

Showcase your work and research ideas!

The Call for Posters at the 2019 MSRC Spring Conference is open to submission. Do you have results from a research project that you want to share with your colleagues? Do you have results from a QA project that you want to share with your colleagues? Do you have interesting findings from a case study that you want to share with colleagues? The 2019 MSRC Poster session is a wonderful and supportive place to showcase your efforts. All posters will be displayed throughout the duration of the conference. Poster authors will have the opportunity to deliver oral presentations of their work during a scheduled conference session.

New This Year!

All posters will be entered into a “Best Poster” competition. The winner will be awarded with one free conference registration to the 2020 MSRC Spring Conference (to be held in Dearborn, MI).

Posters will be scored in the following categories: (1) Overall Visual, (2) Overall Content, (3) Overall Oral, and (4) Overall Impact to the field.
